

2007 Finca Sopenia Synthesis Sauvignon
Blanc

Rating: 90
Drink: 2008-2010

One white wine was presented, the unoaked 2007 Synthesis Sauvignon Blanc. Medium straw-colored, it offers up a sophisticated aromatic array of citrus, melon, and tropical fruits. On the palate it has considerable complexity, good balancing acidity, and a refreshing finish. Drink it over the next two years.

Finca Sopenia is owned by Roberto Luka, formerly president of Wines of Argentina. The winemaking consultant is Michel Rolland. The wines are all produced from estate-grown fruit. Ninety-five percent is exported with the USA being the #1 market.

Importers: Bacchus Imports-Glazer's, Longview, TX; tel. (903) 553-9463; The Country Vintner, Louise, VA; tel. (804) 784-2886; and Gaucho Imports, Albuquerque, NM; tel. (505) 244-0290...
